PETITION FOR THE ACCEPTANCE OF COLOR FIGURES

Both color figures and corresponding black and white figures are provided for this application. Color coding is an important part of the claimed invention. It is difficult to appreciate the invention and understand the color coding from the black and white figures, even with the extensive description in the specification, as can readily be appreciated by a comparison of the black and white and corresponding color figures. Accordingly, acceptance of the enclosed color figures for this application is respectfully requested.

Three sets of the color figures are enclosed along with the fee set forth in Section 1.17(h). The specification already contains language identifying that the color figures are available in the patent files. Please charge the filing fee of \$130.00 for this petition to Eckert Seamans Deposit Account No. 02-2556. Favorable consideration of this petition is respectfully requested.
